MIDIbox Hardware Platform
MIDIbox FM CS DIN map
(C) T. Klose 2005-01-19

NOTE that this is only the default map
The button can be assigned to other pins in cs\_menu\_io\_tables.inc
The rotary encoders can be assigned to other pins in mios\_tables.inc Detented rotary encoders are recommented.

Take care for the DETENTED or DETENTED2 type in mios\_tables.inc or setup\_\*.asm!
